I/We, _____ agree that by purchasing a share in the Draper Farms CSA Program, I/we accept the terms of the membership agreement outlined below:

We, the farm, wish to provide you with fresh, local, seasonal food and you, the member, wish to receive a portion of our harvest. This agreement displays shared commitments to that relationship. By signing below, I agree to terms outlined and I agree to purchase the membership share indicated.

- Members of the CSA will receive a weekly share consisting of approximately 8-12 items for a Full Share, and 4-7 items for a Half Share. I understand that available crops will vary throughout the duration of the program.
- One aspect of CSA is that members support their farmers by sharing in the inherent risks of agriculture (poor weather, drought, crop failure, etc.) and the rewards (exceptionally fresh vegetables, the bounty of a good season, etc.) involved in farming. CSA farmers purposely plan for such contingencies; the farmers use growing techniques that protect the harvest to minimize the risk and optimize the rewards. However, I acknowledge there are no refunds due to crop failure or unforeseen factors.
- I understand this principle and agree that there is no guarantee on the exact amount or type of produce I will receive in my share. By participating in the CSA I am supporting the local farmer as well as more equitable food distribution, and I am helping to create a more environmentally and economically healthy society.
- The pick-up day and time each week will be Tuesdays, from 2-6pm at 11105 SW Baker Creek Road, McMinnville, OR, 97128. This date can be rescheduled at any time if given at least 48-hours advance notice. By becoming a member, I commit to picking up my share weekly and I understand that if I, or someone I designate is unable to pick up my share, or if I fail to communicate with my farmers about weekly changes, there are refunds, exchanges or roll-overs to my overall share value.
- The remaining balance on your CSA share will be due by July 1st. The amount of produce received by the shareholder will be directly related to their payment. If a member does not pay the full amount by the time indicated, or if at any time during the CSA duration, a member is not up to date on their payment, the agreement will be terminated and the shareholder will receive an amount of produce equal only to the value of their payment at that time.
